Centralina V

A close-up photograph of the dashboard area of a Volkswagen T4. The central feature is a digital display screen showing '000000'. To the right of the screen are four control buttons: a button with a car icon, a button with a circular arrow icon, a button with a triangle icon, and a button with a square icon. Above the screen is a small black rectangular display showing a white arrow pointing right. The dashboard is a light beige color.
